No Show/ Cancellation Policy

Attention CHRIAS Patients:

We understand that there are times when you must miss an appointment due to emergencies, unforeseen events or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from receiving much needed treatment. Conversely, a situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment schedule.

Patients who No Show two or more times within a 12-month period will receive a No Show letter emphasizing the importance keeping scheduled visits and the ramifications of failing to keep future appointments. Patients who continue to No Show after receiving the No Show letter are subject to be discharged from the practice and will not be eligible to schedule future visits.

We ask that you are mindful of other patients' time by providing us 48 hours' notice when cancelling an office appointment.

Appointment Type	Minimum Timeframe to Cancel	Charge
New Patient	48 hours	$100.00
Established Patient	48 hours	$25.00
Surgical Procedures	2 weeks	$100.00

Patients with Medicaid are excluded from the aforementioned; however the "No Show" will be documented with their insurance company. ***Both the Cancellation and No Show fees are the patient's sole responsibility and must be paid in full before the next appointment.***

Please sign below acknowledging that you have read, understand and agree to the Cancellation and No Show terms above.
